REPORT

Presented to the Board of Directors

The following report was presented to the Board of Directors at the meeting held on the 15th day of January, 1900, at the City of New York.

The report was made by the President of the Board, who stated that the same was prepared by the Committee on the subject of the proposed amendment to the Charter of the City of New York.

The Committee has the honor to acknowledge the receipt of the report of the President of the Board, and to express its appreciation of the same.

The Committee has also the honor to acknowledge the receipt of the report of the President of the Board, and to express its appreciation of the same.

The Committee has the honor to acknowledge the receipt of the report of the President of the Board, and to express its appreciation of the same.

The Committee has the honor to acknowledge the receipt of the report of the President of the Board, and to express its appreciation of the same.
